We have no interest from our residents.

Attachment F: 5 Year Progress Statement & Follow-up Plan

Clarendon Housing Authority is still working on our CIAP 1998. We should be through in a few months. This has enabled us to improve our units and grounds.

- We have removed asbestos, painted, put in new cabinets, replaced bi-fold doors, counter tops, updated electrical throughout to meet code, installed new piping for HVAC and water heaters in all 71 units. We also are putting up metal siding on exterior wood, paintable surfaces and trim with metal siding.
- Clarendon Housing Authority replaced a concrete retainer wall on one of our sites that had cracked, broken and some was totally gone. Also site grading to correct erosion on site and settlement/wash-out about buildings.
- We still have several vacancies, most of which are being created by our CIAP. We can't do all of this work with someone living in the unit. We feel that all the improvements being made will make our units more desirable.
- The Clarendon Housing Authority has a long-standing policy to encourage anyone to rent public housing regardless of race, color, religion, national origin, sex, familial status and/or disability.
- The PHA is currently working with the Architects to determine work items to be completed. No changes have been made in the Capital Fund Program Annual Statement.
- The Clarendon Housing Authority Board of Commissioners has not changed any policy or procedures that require a regulatory 30-day posting. The PHA has not and does not plan on submitting any information, such as HOPE VI, that requires a separate notification to the residents.
